Flash MX Savvy is a Great Book for Students. Published by Thriftbooks.com User, 18 years ago. Ok, I'll admit it, I've been avoiding Flash for the last few years. I'm actually a student doing an undergraduate degree in digital media (working primarily in Director and digital video), and decided that it was high time I started learning Flash. So, I went and bought me a copy of Flash MX Savvy. The book was organized so well it was incredible. Unfollow flash mx to stop getting updates on your eBay Feed.
