Free delivery for many products!Â Pro-Choice and Anti-Abortion: Constitutional Theory and Public Policy. Condition: New. Â£51.50. 30-day returns. Relying on a jurisprudence of original theory, Pro-Choice and Anti-Abortion forcefully asserts that government is constitutionally constrained to formulate abortion policy that is at once pro-choice and anti-abortion. In so arguing, this book walks readers through this constitutionally mandated middle position by introducing them to the liberal teachings of John Locke that were so influential to the framers of the Constitution and by applying this political theory to the major issues of the abortion controversy—covering the individual liberty interest in the abortion decision, minors and abo
