It is only after the young man has searched high and low and given up his relentless pursuit that he relaxes and discovers The Present - and all the promises it offers.
The Acts of the Apostles - is the second book written by Luke and serves as a sequel to his Gospel. Acts follows the Gospel of John and precedes the Letter of Paul to the Romans in the New Testament of the Bible. St. Luke was the only Gentile writer of the New Testament (Colossians 4:10-14). He was a companion of Paul and reflected Paul, who saw the risen Christ. St. Paul calls Luke "the beloved physician" in Colossians 4:14, advises Timothy that "only Luke is with me" in 2 Timothy 4:11, and that Luke is his "fellow worker" in Philemon 1:24. The early part of Acts records some of the major missionary activities of the Twelve Apostles under the direction of Peter during the time immediately following the death and resurrection of Jesus Christ. After an introduction containing an account of the Ascension (1:10–14) and the calling of Matthias to the Quorum of the Twelve (1:15–26), missionary work in Jerusalem goes forth with the outpouring of the Spirit on the day of Pentecost (2:1–13) and with Peter's bold declaration of the divinity of Jesus Christ and His literal. Cornelius' entry into the Church inaugurates a new era because he is the first non-Israelite of whom we have record who entered into the Church without first having been converted to Judaism. Commentary on the Book of Acts. Bible Study Notes and Comments. by David E. Pratte. Available in print at www.gospelway.com/sales. Good cross-references. * A good binding, preferably genuine leather. That Saint Luke was the author of the Acts of the Apostles, as well as of the Gospel which bears his name, is evident both from the introduction, and from the unanimous testimonies of the early Christians. To the genuineness and authenticity of this book, the early Christian fathers bear unanimous testimony. Theme. Acts is a history of the early church and of the spread of the gospel (note 1:8). It is not a record of all of the acts of all of the apostles, but of just some of the acts of some of the apostles. Describe the key events in the Acts of the Apostles. Express the overall purpose of this important book of the Bible in the context of the New Testament. Explain the theological importance of key sections of the Acts of the Apostles. Delineate the geographical movement of the story and the significance of that movement. Propose current day application of this study of the Acts of the Apostles. Anyone with a desire to understand the New Testament book The Acts of the Apostles which describes the growth of the Christian Church after Jesus's death and resurrection. Students of virtually any age with a hunger to learn more about God and His ways. Course content. 6 sections • 104 lectures • 10h 26m total length. Expand all sections. This commentary includes an introduction to the Acts of the Apostles (including the history of the text, the structure, and the themes), a chapter by chapter summary, and discussion questions. BookCaps Bible Commentaries are nondenominational study guides for people who are just getting into the Bible for the first time, or who just want to know a little more.
The early part of Acts records some of the major missionary activities of the Twelve Apostles under the direction of Peter during the time immediately following the death and resurrection of Jesus Christ. After an introduction containing an account of the Ascension (1:10–14) and the calling of Matthias to the Quorum of the Twelve (1:15–26), missionary work in Jerusalem goes forth with the outpouring of the Spirit on the day of Pentecost (2:1–13) and with Peter’s bold declaration of the divinity of Jesus Christ and His literal. Cornelius’s entry into the Church inaugurates a new era because he is the first non-Israelite of whom we have record who entered into the Church without first having been converted to Judaism.

During those days Peter stood up in the midst of the brothers (there was a group of about one hundred and twenty persons in the one place). He said, 16“My brothers, the scripture had to be fulfilled which the holy Spirit spoke beforehand through the mouth of David, concerning Judas, who was the guide for those who arrested Jesus. 17He was numbered among us and was allotted a share in this ministry. 18He bought a parcel of land with the wages of his iniquity, and falling headlong, he burst open in the middle, and all his insides spilled out.”

That Saint Luke was the author of the Acts of the Apostles, as well as of the Gospel which bears his name, is evident both from the introduction, and from the unanimous testimonies of the early Christians. To the genuineness and authenticity of this book, the early Christian fathers bear unanimous testimony. Theme. Acts is a history of the early church and of the spread of the gospel (note 1:8). It is not a record of all of the acts of all of the apostles, but of just some of the acts of some of the apostles. Date. The book ends with Paul in prison in Rome for the first time. The volume first presents Fitzmyer’s translation of Acts, followed by an introduction of more than a hundred pages and an extensive general bibliography. The rest of the book moves through Acts by presenting a segment of translation, followed by a general “Comment,” then “Notes” on the verses of the text and a bibliography on the text segment. The amount of bibliography is one value of the volume. There is one unusual feature to the translation in the commentary. Fitzmyer attempts to continue into Acts the form criticism previously applied to Luke. This aspect of the commentary is not very productive. Too many of the passages are simply classified as “narratives,” which in itself is not very illuminating. “The Lukan Story of Paul” receives extensive discussion in the introduction.
