The circumstances of the general election of 18— will be well remembered by all those who take an interest in the political matters of the country. Phineas Redux is a novel by Anthony Trollope, first published in 1873 as a serial in The Graphic. It is the fourth of the "Palliser" series of novels and the sequel to the second book of the series, Phineas Finn. His beloved wife having died during pregnancy, Phineas Finn finds Irish society and his modest government position in Ireland dull and unsatisfying after the excitement of his former career as a Member of Parliament.

Back in England, the Liberals are determined to overturn the Conservative PHINEAS REDUX Phineas Redux is the fourth in Trollope’s six-volume sequence of novels known as the Palliser series. Phineas is at the centre of these writings, rumours, and repetitions and when the book ends he remains in the middle of things, neither at the dizzy heights of the Duke of Omnium nor the depths that he had looked into during his imprisonment, happily married but also believing that his back has been broken by the ordeal he has undergone. So let me just state that "Phineas Redux" has given me more pleasure than most other books I've read, and I read a lot. Firstly, I'm a huge fan of Trollope's; I don't quite understand why the whole world doesn't consider him on par with Dickens and Austen. His plotting, his humor, his political, cultural and psychological insights, his way with the written word: they're all superb, as fine as anything you'll find in all of English literature. Phineas Redux. Anthony Trollope. $22.99. Listen. $22.99. Listen. Publisher Description. His beloved wife having died in childbirth, Phineas Finn finds Irish society and his job as a poorhouse inspector dull and unsatisfying, particularly after the excitement of his former career as a member of Parliament. The fourth novel in the Palliser series, Phineas Redux stands alone as a compelling work of political intrigue, personal crisis, and romantic jealousy.
