
Study Guides for Christianity and Islam. These guides integrate Bible study, prayer, and worship to help us explore fruitful new avenues for engagement between Christianity and Islam. Use them individually or in a series. You may reproduce them for personal or group use. No God but God. 2. Do Christians and Muslims worship the same God? The question is too simplistic. It is more helpful to ask, â€œWhat kind of God is revealed in Christianity and in Islam?â€ This study guide, directs The Center for Christian Ethics at Baylor University. He serves as General Editor of Christian Reflection. Â© 2005 The Center for Christian Ethics. Hence, Christian giving is not optional, but rather essential. We often hear folks say: “in the Old Testament they had to give, but not in the New - now we only give if we want to.” This is clearly not Jesus’ teaching. Â We ought to give for the glory of God and the good of His people. We must desire His approval of our giving, rather than the praise and admiration of people. Are you giving for God's praise or man's? Christian Mysticism describes those who, through contemplative reading (especially of Scripture), meditation, prayer and silence seek a deeper and more intimately personal relationship with God. This book covers the topic very well, and also contains a generous, annotated reading list of many other books on this subject. Highly recommended. Â Iâ€™ve been studying mysticism for a little over a year now. This book brought all my thoughts together in an orderly fashion. The reading lists were particularly helpful - showing me Iâ€™ve read a lot of mystical writings in the past. Â Having studied mysticism in a secular, academic setting, I can attest to the difficulty of writing about something that truly is ineffable. Carl does a terrific job of attempting to express the inexpressible. The Resource Guide to Getting Published A unique guide to publishing for Christian readers, the Christian Writersâ€™ Market Guide 2008 offers the most proven and comprehensive collection of ideas, resources, and contact information to the industry. Â Writersâ€™ Journal. Â Essential for anyone seeking to be published in the Christian community. Â The Midwest Book Review. Â Stands out from the rest with its wealth of information and helpful hints. Â Book Reviews for Church Librarians. Completely updated and revised the Guide features more thanâ€¦ Christian feminist theology is a rapidly expanding field of study from which many creative books have arisen. The intention of this volume is not so much to propose a new feminist theological construction as to interpret the existing feminist proposals for people who are beginning their study of feminism or theology. Â The book pretty much refutes the Christian faith, has little bible back up for its statements and mis-quotes (or twists stories) to create or back up arguments for the demise of women in the church. Â And make a church more acceptable to women, though very unacceptable to God. All im really trying to say is - if your going to write a book using the bible - Get it accurate. Dont make Gods word a joke, using it to make apoint and to prove what you believe.
