Art for Art's Sake: The concept that art does not need any clarification or justification, that it does not need to serve any purpose. English Aesthetic Movement. The slogan 'art for art's sake' is associated with this movement in history, which advocated that art should be kept separated from any social, political and economic influence. Famous Poet Edgar Allan Poe mentioned in his essay a very similar argument, 'this poem written only for the poem's sake.' Walter Pater mentioned in his most influential text of the Aesthetic Movement Studies in the History of the Renaissance in 1873. The writers and artists of the Aesthetic Movement advocated that there was no connection between morality and art. Discover 13 important art movements that help shape modern art. From Impressionism to Cubism and Photorealism, we look at different types of art. By tracing a timeline through different art movements, we're able to not only see how modern and contemporary art has developed, but also how art is a reflection of its time. For instance, did you know that Impressionism was once considered an underground, controversial movement or that Abstract Expressionism signaled a shift in the art world from Paris to New York? Like building blocks, from Realism to Lowbrow, these different types of art are interconnected. As the creative pendulum swings, artistic styles are often reactions against or homages to their predecessors. Realism was an artistic movement that emerged in France in the 1840s, around the 1848 Revolution. Realists rejected Romanticism, which had dominated French literature and art since the early 19th century. Realism revolted against the exotic subject matter and the exaggerated emotionalism and drama of the Romantic movement. Instead, it sought to portray real and typical contemporary people and situations with truth and accuracy, and not avoiding unpleasant or sordid aspects of life. The movement aimed Art movements. STUDY. Flashcards. Learn. Art movements were especially important in modern art, when each consecutive movement was considered as a new avant-garde. Terms in this set (47). Abstract Expressionism. American art movement of the 1940s that emphasized form and color within a nonrepresentational framework.
