Finally, the Gospel of John was written, portraying Jesus as the incarnation of the divine Word, who primarily taught about himself as a savior. Main article: Development of the Christian Biblical canon. In this book, through a distinctive evangelical and critical approach, Michael Bird explores the historical development of the four canonical Gospels. He shows how the memories and faith of the earliest believers formed the Gospel accounts of Jesus that got written and, in turn, how these accounts further shaped the early church. Birdâ€™s study clarifies the often confusing debates over the origins of the canonical Gospels. Bird navigates recent concerns and research as he builds an informed case for how the early Christ followers wrote and spread the story of Jesus â€“ the story by which they believed they were called to live. The Gospel of the Lord is ideal for students or anyone who wants to know the story behind the four Gospels. Watch an in
