Educação presencial e virtual: espaços complementares essenciais na escola e na empresa; EDIPUCRS, 2006; Elaine Turk Faria; 9788574305677; 2006

The article substantiates the fruitfulness of using the book trailer in the educational environment by the results of content analysis of scientific works of Russian and foreign researchers, practitioners, and practical testing in the educational process. As an experimental research method, the authors used a survey of pupils of the sixth and seventh grades of the Second Maltzagar Middle School named after M.E. Vasilyeva of the Khangalassky Ulus municipal district, as well as rural teachers of the literature of the Republic of Sakha (Yakutia) of the Far Eastern Region of the Russian Federation.
