Edmund Husserl was the founding father of phenomenology and one of the most important philosophers of the twentieth century. This collection makes available, in one place, the very best essays on Husserl's thought from the past seventy years. It draws together a range of writings, many otherwise inaccessible, that have been recognized as seminal contributions not only to an understanding of this great philosopher but also to the development of his phenomenology. The four volumes are arranged as follows: Volume I Classic essays from Husserl's assistants, students and earlier interlocu...
