Archaeologist's Map Guide. I've decided that it's time to put it all in one place. There are a lot of bits and pieces of information all over, some including a lot of misinformation and old data. Now that the ugly stuff is out of the way. What exactly IS the Archaeologist's Map? It works exactly the same as a Traveller's Map except it's a permanent, two-way quick-travel, instead of one-time, one-way. Not only will it take you to the town of your choosing (within a certain proximity), it will take you back to EXACTLY where you teleported from. Archaeology: The Key Concepts is the ideal reference guide for students, teachers and anyone with an interest in archaeology. Colin Renfrew is Emeritus Disney Professor of Archaeology and Fellow of the McDonald Institute for Archaeological Research, Cambridge. Paul Bahn is a freelance writer, translator and broadcaster on archaeology. All rights reserved.
