Against the many voices that will protest that this massively over-interprets the exegetical and historical evidence—and I do agree that there is over-interpretation here—let me make two immediate observations and a request. First, I will come back later to some of the exegetical data and arguments that can support Chilton’s position on this point. In this stage of Eucharistic development, the berakhah prayer of Judaism seems to have become a principal model of Eucharist. The Eucharistic Liturgies is an invaluable sourcebook for liturgical studies and is fully able to serve as a standard text in the field. Anne M. Carpenter, Marquette University. In this long-awaited companion to The Rites of Christian Initiation (2007), Bradshaw and Johnson draw upon their own extensive research, as well as up-to-date scholarship in several academic fields, in order to unravel and analyze the development of the Eucharist from the early church’s meals and emerging rites through to (selected) rites in the twentieth century. “If pastoral musicians have the money and time to read only one book on the Eucharist in their continuing education this year, this should be the book.” Pastoral Music. About the Author. See details and exclusions - The Eucharistic Liturgies: Their Evolution and Interpretation. See all 4 brand new listings. Qty. He is the author and/or editor of over fifteen books.
