Women place in Islam In an Islamic society, a woman occupies a very respectable position. In this respect. Our Holy prophet Muhammad (Blessing & peace be upon him) has said: 

Verily the paradise lies under the feet of your mother. Quran says: Women have the same rights in relation to their husbands. On other place Quran says: Treat them politely. In the Quran there are many place where the Holy Book tells us the important place of women in society. Islam gives four important places to a woman as daughter, sister, wife and mother. Islam gives the right to a woman to many independently society that wants women adhering to the idea that. this society has made of them. It is a situation of great confusion. The messages of the media paint a picture of the. Forgetting that, without the female, life and future for our planet cannot exist. In some places the feminine side is denied. implementing the horrible practice of infibulation. It is practiced by women themselves who have received. the same oppression. In other parts of the world, where the male power is. disguised under religion it constricts women under. layers of cloth that force them to inhale their own carbon dioxide causing a lack of oxygen in the lungs, blood and brain. So as not "to tempt" men themselves who do not have. Women have an important place in human society and they have to play a significant role in human progress. As is assumed by certain narrow-minded people woman can in no’ way be inferior to man. She is his counterpart who is equally important and equally capable of sharing the responsibilities of life. 

According to Genesis, Lord God took one of the ribs of Adam and made it a woman and brought her unto Adam who said, This is now bone of my bones, and flesh of my flesh. So woman is an inseparable part of man's life. Her main function is procreation for which she makes every sacrifice. Women’s Place in Society. Basic Points: (These points are for better comprehension. NOT to be written in the exam paper) I. Introduction & Pre Islamic History (Para. 1,2,3) II Role as Mothers ,Sisters. (Para.4,5)) III As Daughter & Wife (Para 6,7) IV Place. in Pakistan & Western Countries (Para 8,9) V. Suggestions & Conclusion (Para 10). They should be given every chance of betterment of their own and of the society. There is practically no field where women are not working side by side with men. In business, trade, administration, scientific research, literary and artistic activities, in flying, diving etc. they are beating the world into shape, same as men. In Pakistan too, there should be complete liberation of women as they are the same as men. P.S. Best of luck. And take it easy.
