That's why Living the Mysteries is ideal for a family member, friend, or fellow parishioner who was recently in the RCIA program and received the sacraments of initiation—baptism, confirmation, and the Eucharist—at the Easter Vigil. That's why it's perfect for a lifelong Catholic, too.

The best book I have found that allows the reader to experience the mysteries of the sacraments, written by men who lived in the time of and just after Christ and a book that establishes that NOTHING in Jesus' Church has changed since then. A very good book for the new Catholic. Everyone who believes in Jesus should read it, Catholic or Protestant.

I still refer back to it on occasion. The title is great because we are all unfinished.
