Sacrosanctum Concilium and the Reform of the Liturgy ed. Kenneth D. Whitehead. Reflections on the Spanish document. However, I do intend that it will be based off two works: The Catholic Encyclopedia and an interesting little booklet published by Roman Catholic Books: The Origin and Development of Roman Liturgical Vestments by Raymund James—being 31 pages in length, but filled with interesting information, and some of the most interesting of liturgical photographs, including Pope Pius XI saying Mass in 1930. This is the origin in the liturgy of the deacon and subdeacon holding up the priest's chasuble, such as at the incensation of the altar or at the Elevation: some means had to be found for giving the celebrant and his assistants more play for their arms. The paper presents Sacrosanctum Concilium as a pertinent document that vivifies the life of the Church. This is more explicit in the Benedictine setting where the liturgy is of fundamental importance. The values and symbolisms of more. Editorial The present issue combines the first two fascicles of volume 27 (2010). We are late because of the problems that have accompanied the new method of preparing the text (print readyâ€‌), the change to a publisher in more. The present editor looks at the document on the liturgy of Vatican II and some of its unfulfilled hopes and recommendations. Too often the primarily pastoral objective of the constitution and the subsequent reforms are overshadowed by ideological issues and biases. In The Liturgy Documents, volume 3: Foundational Documents on the Origins and Implementation of Sacrosanctum Concilium, Chicago: Liturgy Training Publications, 2013. The Revised Translation of the Roman Missal and Liturgia Hispana: From Textual Orthodoxy to Liturgical Polydoxy. Journal of Hispanic/Latino Theology (May 2012). http://www.latinoteology.org/. Alumni Access. This contribution portrays the potential for a new liturgical awakening on the basis of Sacrosanctum Concilium, examining the great principles set out in the first chapter. It surveys candidly some of the phases of past implementation in the Netherlands of the Liturgy Constitution. In the perspective of the new evangelization, the hope emerges of new generations of faithful who will live their own Christian life out of the encounter with their Redeemer in the liturgy and the sacraments.
