Sometimes, teachers can be making some mistakes in handling the students too, so it is vital for the parents to ask their child about what goes around the school. This way, the child can also feel that they are being cared for. This will surely help the kid feel motivated at school bringing out the best in him every time. 2. Take a time to know about the school’s activities and advocacy. If you are a parent, it is your obligation to know about what’s going around the school in able to monitor your child’s activities too. Always remember that in able to educate the future generation well, all the stakeholders of education must have a harmonious relationship. Related: Post navigation. Teacher education TE (TE) or teacher training refers to the policies, procedures, and provision designed to equip (prospective) teachers with the knowledge, attitudes, behaviors, and skills they require to perform their tasks effectively in the classroom, school, and wider community. The professionals who engage in training the prospective teachers are called teacher educators (or, in some contexts, teacher trainers). Dr. DiGiulio’s most recent books are Great Teaching: What Matters Most in Helping Students Succeed, Educate, Medicate, or Litigate? What Teachers, Parents, and Administrators Must Do About Student Behavior, and Positive Classroom Management: A Step-by-Step Guide to Successfully Running the Show Without Destroying Student Dignity, both published by Corwin Press. Dr. DiGiulio’s interests include international education, child behavior, and teacher education. He won a 2002-2003 Fulbright Scholar Award to the University of Jyväskylä in Finland. He was a Delegate to the United Nations Edu This book explores factors that contribute to antisocial behavior among students and reviews the literature on preventing and responding to antisocial behavior. Chapter 1, "A Culture of Violence," links the widespread perception that school violence is increasing to a broader culture of violence. Schools are increasingly turning to medication and litigation to respond to antisocial behaviors. What Teachers, Parents, and Administrators Must Do about Student Behavior. DiGiulio, Robert C. This book explores factors that contribute to antisocial behavior among students and reviews the literature on preventing and responding to antisocial behavior. Chapter 1, "A Culture of Violence," links the widespread perception that school violence is increasing to a broader culture of violence.
