Verified Purchase. The Grolier Encyclopedia of Knowledge is perfect for home school use in the classroom. I have enjoyed just picking up a volume and browsing through the well written articles. That said, I was less than pleased with the way they were shipped to me. They were loosely placed into the shipping container and suffered some minor cosmetic damage to the covers and bindings. They were not "in perfect condition, like new." I have filed a complaint about shipping. I would be giving a 5 Star rating on this set if they had been shipped correctly. Grolier publishes encyclopedias, children’s books, reference sets, educational materials, and electronic products. The company’s best-known titles include Encyclopedia Americana and the New Book of Knowledge, a children’s encyclopedia. Grolier’s electronic products include the Guinness Multimedia Disc of Records and the Grolier Multimedia Encyclopedia. The company also manages direct-to-home and e-commerce children’s book clubs which ranks include three million active customers. By company estimates, half of all American children participate in a Grolier book club by the time they reach kinder The Grolier Club has one of the more extensive collections of book auction and book seller catalogs in North America. The Grolier Club also has a program of public exhibitions which "treat books and prints as objects worthy of display, on a par with painting and sculpture." [http://grolierclub.org/Exhibitions.htm Exhibitions] The exhibitions draw on various sources including holdings of the Club, its members, and of institutional libraries. The Grolier Club has had three locations since being founded in 1884. The Club's first home was rented. In 1890 the Grolier Club moved into a Romanesque Revival building at 29 East 32nd Street (which still survives as a designated landmark). The Grolier Illustrate by Brian Williams. Other editions.
