Explore the stars and constellations of the Milky Way and beyond in Stars and Galaxies. From dwarfs to supergiants, learn about the glowing balls of hot gas that make the night sky come alive. This Level 2 DK Reader will build reading skills while teaching exciting vocabulary and explaining how long it takes stars' light to reach Earth, what constellations look like, and even how to stargaze, taking young readers on an amazing adventure in the sky. Perfect for 5 year olds beginning to read fluently with support, Level 2 titles contain carefully selected photographic images to complement these two books tie in to Star Wars: The Rise of Skywalker and focus on our heroes and villains, respectively. Who's Who in the Galaxy (written by Ella Patrick; illustrated by PowerStation, Pilot Studio, and Leigh Zieske; published by Disney Lucasfilm Press). These books allow readers to choose their own path and become a part of the Star Wars galaxy. There are four books in the series so far (Han & Chewie, Luke & Leia, Obi-Wan & Anakin, and Finn & Poe), and each has more than 20 possible outcomes and dozens of choices to make along the way. Want to dig for clues and try to unearth secrets about the forthcoming film before December? An encyclopedic look at the Star Wars galaxy is inherently a monumental undertaking, and this book reflects a deep love for the subject. James Buckley, DK. Featuring stunning photos of stars, galaxies, constellations, and more, DK Reader Stars and Galaxies is packed with fascinating facts about space and stargazing for kids just beginning to read fluently with support. DK's innovative range of levelled readers combines a highly visual approach with non-fiction narratives that children will love reading. DK Reader Stars and Galaxies is a level 2 reader, Beginning to Read, offering a delightful narrative for young children to encourage an interest in and desire to read. Simple sentences are used with an emphasis on frequent
