Women with AD/HD tormented by the daily chores and decisions needed to survive in a world of linear thinking will find solace in this self-help guide. Offering a collection of practical solutions to seemingly simple daily problems, this book will help to relieve the guilt and anxiety so many women have when they feel they don’t measure up to the norms of today’s society. Women with AD/HD tormented by the daily chores and decisions needed to survive in a world of linear thinking will find solace in this self-help guide. Upon logging back in I discovered that I am “currently” reading Survival Tips for Women with AD/HD. I don’t remember finishing this book. I’m not sure exactly where I put it. Survival Tips for Women with AD/HD: Beyond Piles, Palms, & Post-its. Author. Terry. Matlen. Published. 2005.

Attention deficit disorder | Attention-Deficit/Hyperactivity Disorder. Individuals with ADHD also get overwhelmed easily, according to Terry Matlen, ACSW, a psychotherapist and author of Survival Tips for Women with AD/HD. “Those of us with ADHD see the problem and can’t figure out how to get from step A to step B, then from step B to step C,” she said. Prioritizing is a challenge, which makes tasks that much less appealing, she said. Take the example of organizing a room. People with ADHD might wonder where to start with the pile of papers or books or laundry. They might wonder if they have the necessary supplies—baskets or bins or boxes—or if they need to. An edition of Survival tips for women with AD/HD (2005). Survival tips for women with AD/HD. beyond piles, palms & post-its.
